These absences shall be authorised in the event of invitations to attend an interview, to complete administrative procedures with the public services, for medical examinations, competitive exams, unpaid interventions at courses or seminars, or to provide family support. Family support consists of taking care of a person with a disability (permanent or temporary) or particularly severe loss of autonomy, confirmed by a doctor or any other competent body. The person receiving such family support may be the staff member's spouse or co-habitee, ascendant or descendant, a child dependent on the staff member (for the purposes of family allowances) or blood relative up to the fourth degree in the collateral line (brother, sister, uncle, aunt, cousin, nephew, niece etc.) or an ascendant or descendent or blood relative (up to the fourth degree in the collateral line) of the staff member's spouse or cohabitee.

CHAPTER VIII – SOCIAL SECURITY COVER AND CHARGES

Article 66. The staff member's salary and emoluments shall be subject to taxation deducted internally by the International Centre. The amount of this deduction will be the difference between the staff member's current step and the step immediately below, as shown in the grade-related table annexed to these Staff Regulations. The amount deducted from any salary and emoluments that are not shown on the grade-related table shall be five (5) percent. All such deductions shall be calculated on the basis of the staff member's gross salary and emoluments, i.e. before social security charges are deducted.

The International Centre shall be the sole beneficiary of this internal taxation.

Article 67. Staff members benefit from a health insurance scheme, an unemployment insurance scheme and a pension scheme.

At the request of the staff member the Centre Director may authorize an overrun of this limit till the maximum age of sixty-seven (67).

Any staff member whose employment is terminated by virtue of this article shall be entitled to compensation of one quarter (¼) of the month of his/her final gross salary per year of employment. However, this compensation shall not be in excess of six (6) months' salary.

Termination of employment by mutual agreement

Article 80. The Centre Director may terminate the employment of a staff member within the framework of his or her termination by mutual agreement if this procedure is in the International Centre's interest and desired both by the International Centre and the staff member.

Termination of employment by mutual agreement grants entitlement to severance pay. The amount thereof shall be agreed by the parties, but cannot be more than eighteen (18) months' salary.

Dismissal

- Article 81. The Centre Director may make a staff member redundant due to the abolition of posts or reduction in staff within the framework of the budget approved by the Governing Board. If the staff member in question disputes the doctor's findings, a medical appeal committee composed of three members (a doctor designated by the International Centre, a doctor designated by the staff member concerned, and a third doctor designated by the thus appointed doctors) shall be convened. The decision of the medical appeal committee shall be final.

Summary dismissal on disciplinary grounds

- Article 86. By virtue of Chapter XI below, the Centre Director may dismiss a staff member on disciplinary grounds, if he or she seriously failed to fulfil his or her duties and obligations, provided he or she was duly made aware of the actions and conduct reproached to him/her and has been put in a position to respond thereto in accordance with Article 90 below.

If the disciplinary action imposed following the staff member's provisional suspension is a warning, written censure, blockage of promotion and/or incremental progression, or suspension with pay, the staff member shall be paid, *a posteriori*, for the provisional suspension period, if imposed without pay. This will also be the case, on a pro rata basis, if after provisional suspension without pay, the disciplinary suspension imposed is shorter than the provisional suspension.

If the disciplinary action imposed following the staff member's provisional suspension is a suspension, the length of the disciplinary suspension shall be reduced by all or part of the provisional suspension period and the staff member shall be paid or not depending on whether the provisional suspension and disciplinary suspension imposed were with or without pay.
